- *If a class is not a good fit and is dropped (in writing/email to learnbeyondthebook@gmail.com) by the end of the first 2 weeks of the semester, you will only be charged for the weeks your child attended and not for the whole semester. If a class isn't dropped by the end of week 2, the family will be responsible for the full semester cost, even if they decide not to attend anymore.*
- If a student is asked not to return for violating our student behavior policy and failing to correct the situation, a refund will not be issued.

If you are in a charter school, register online and in the "School" field on the registration form, fill in your charter school.

You will then let the charter know which portion you would like them to pay (amount due is available through the parent portal). Your charter school will issue us a PO (purchase order), payment voucher or enrichment certificate. If you owe more than what they will pay for, you can pay the rest out of pocket (monthly payment plans available).

Once you receive the document from the charter school, please forward to LearnBeyondTheBook@gmail.com

The registration system will ask you for a credit card, but it will not be charged, unless we notify you first. We manually charge the cards, it is not automatic. If you plan to pay by card, please send an email to LearnBeyondTheBook@gmail.com

Everyone else can pay by check, cash or Paypal.

Tuition can be paid in 4 monthly installments, due by the 10th of each month.
